

Safety First - Receiving Your Takeout Meal

A blue takeout bag with a yellow fork and knife inside. The bag is tilted and has a handle at the top. The fork and knife are positioned vertically, with the fork on the left and the knife on the right.

- Ask
delivery
persons
to leave
packages

at your doorstep
to avoid direct
contact

1-6

Takeout Meals

- Place
delivered
packages
on
counters

that you can
disinfect
immediately
afterwards

2-6

Takeout Meals

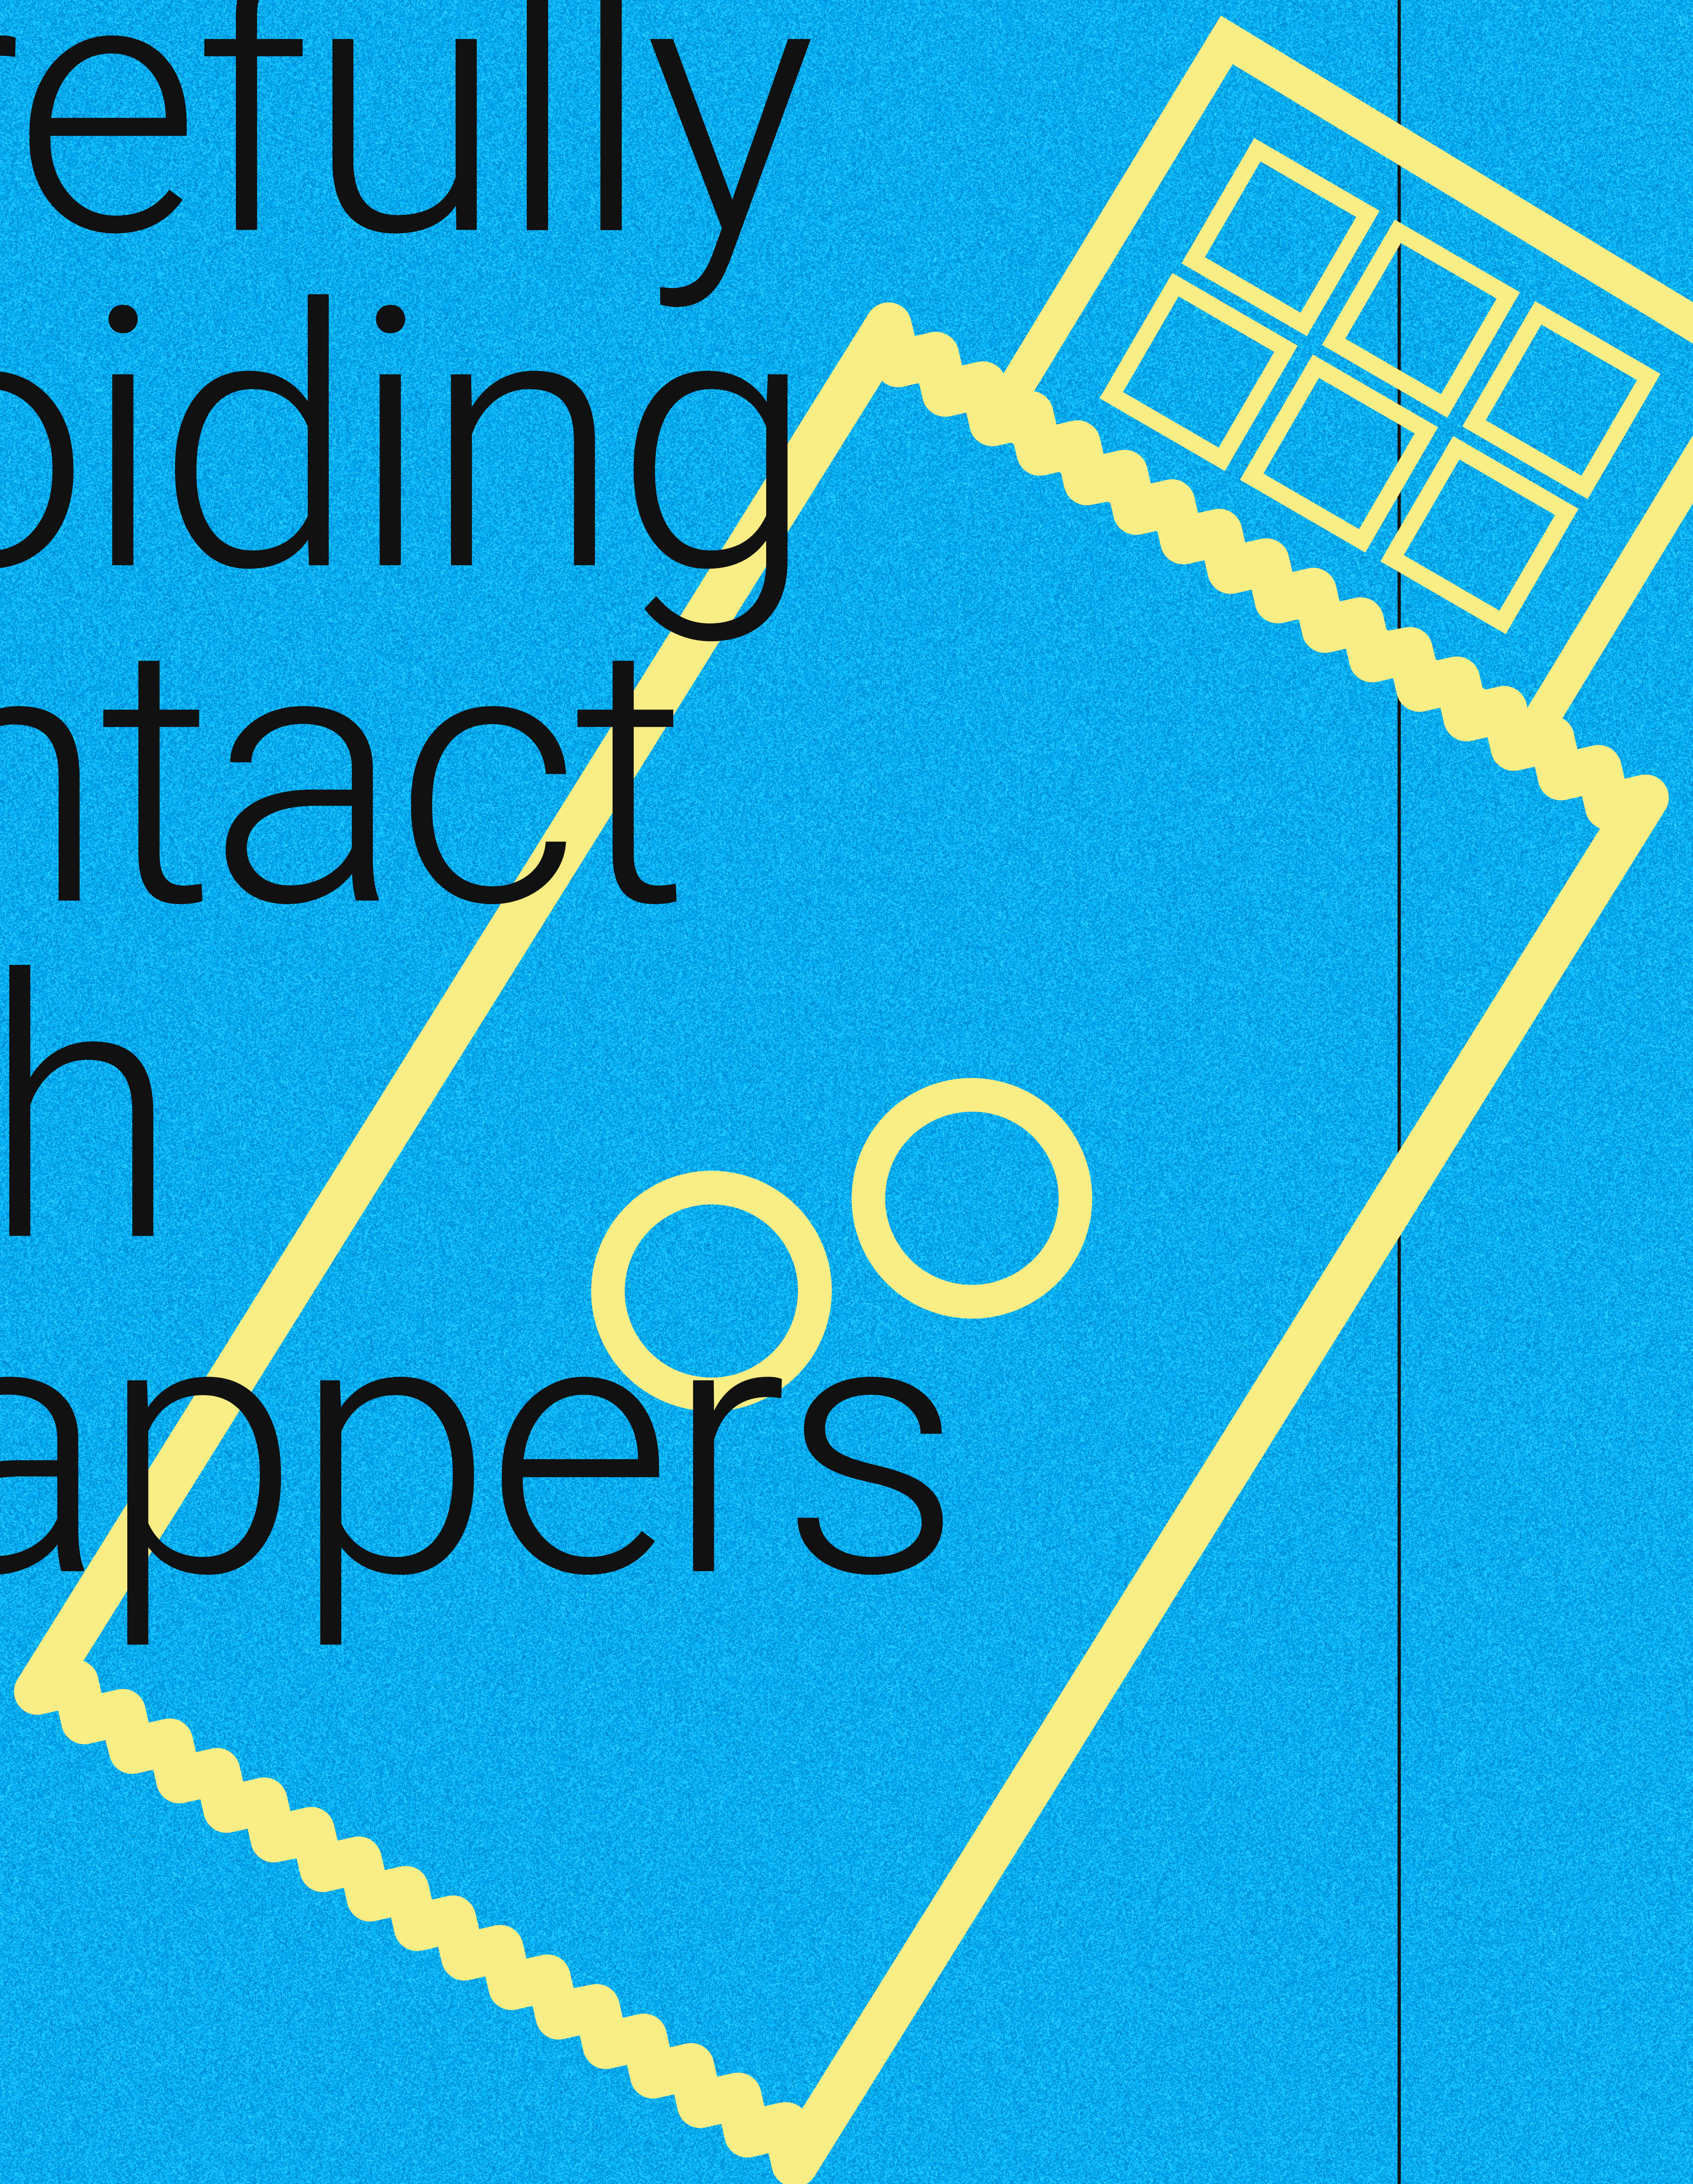

- Remove
and
dispose
of all
wrappers/
product
packaging

3-6

Takeout Meals

- Handle
the food
carefully
avoiding
contact
with
wrappers

4-6

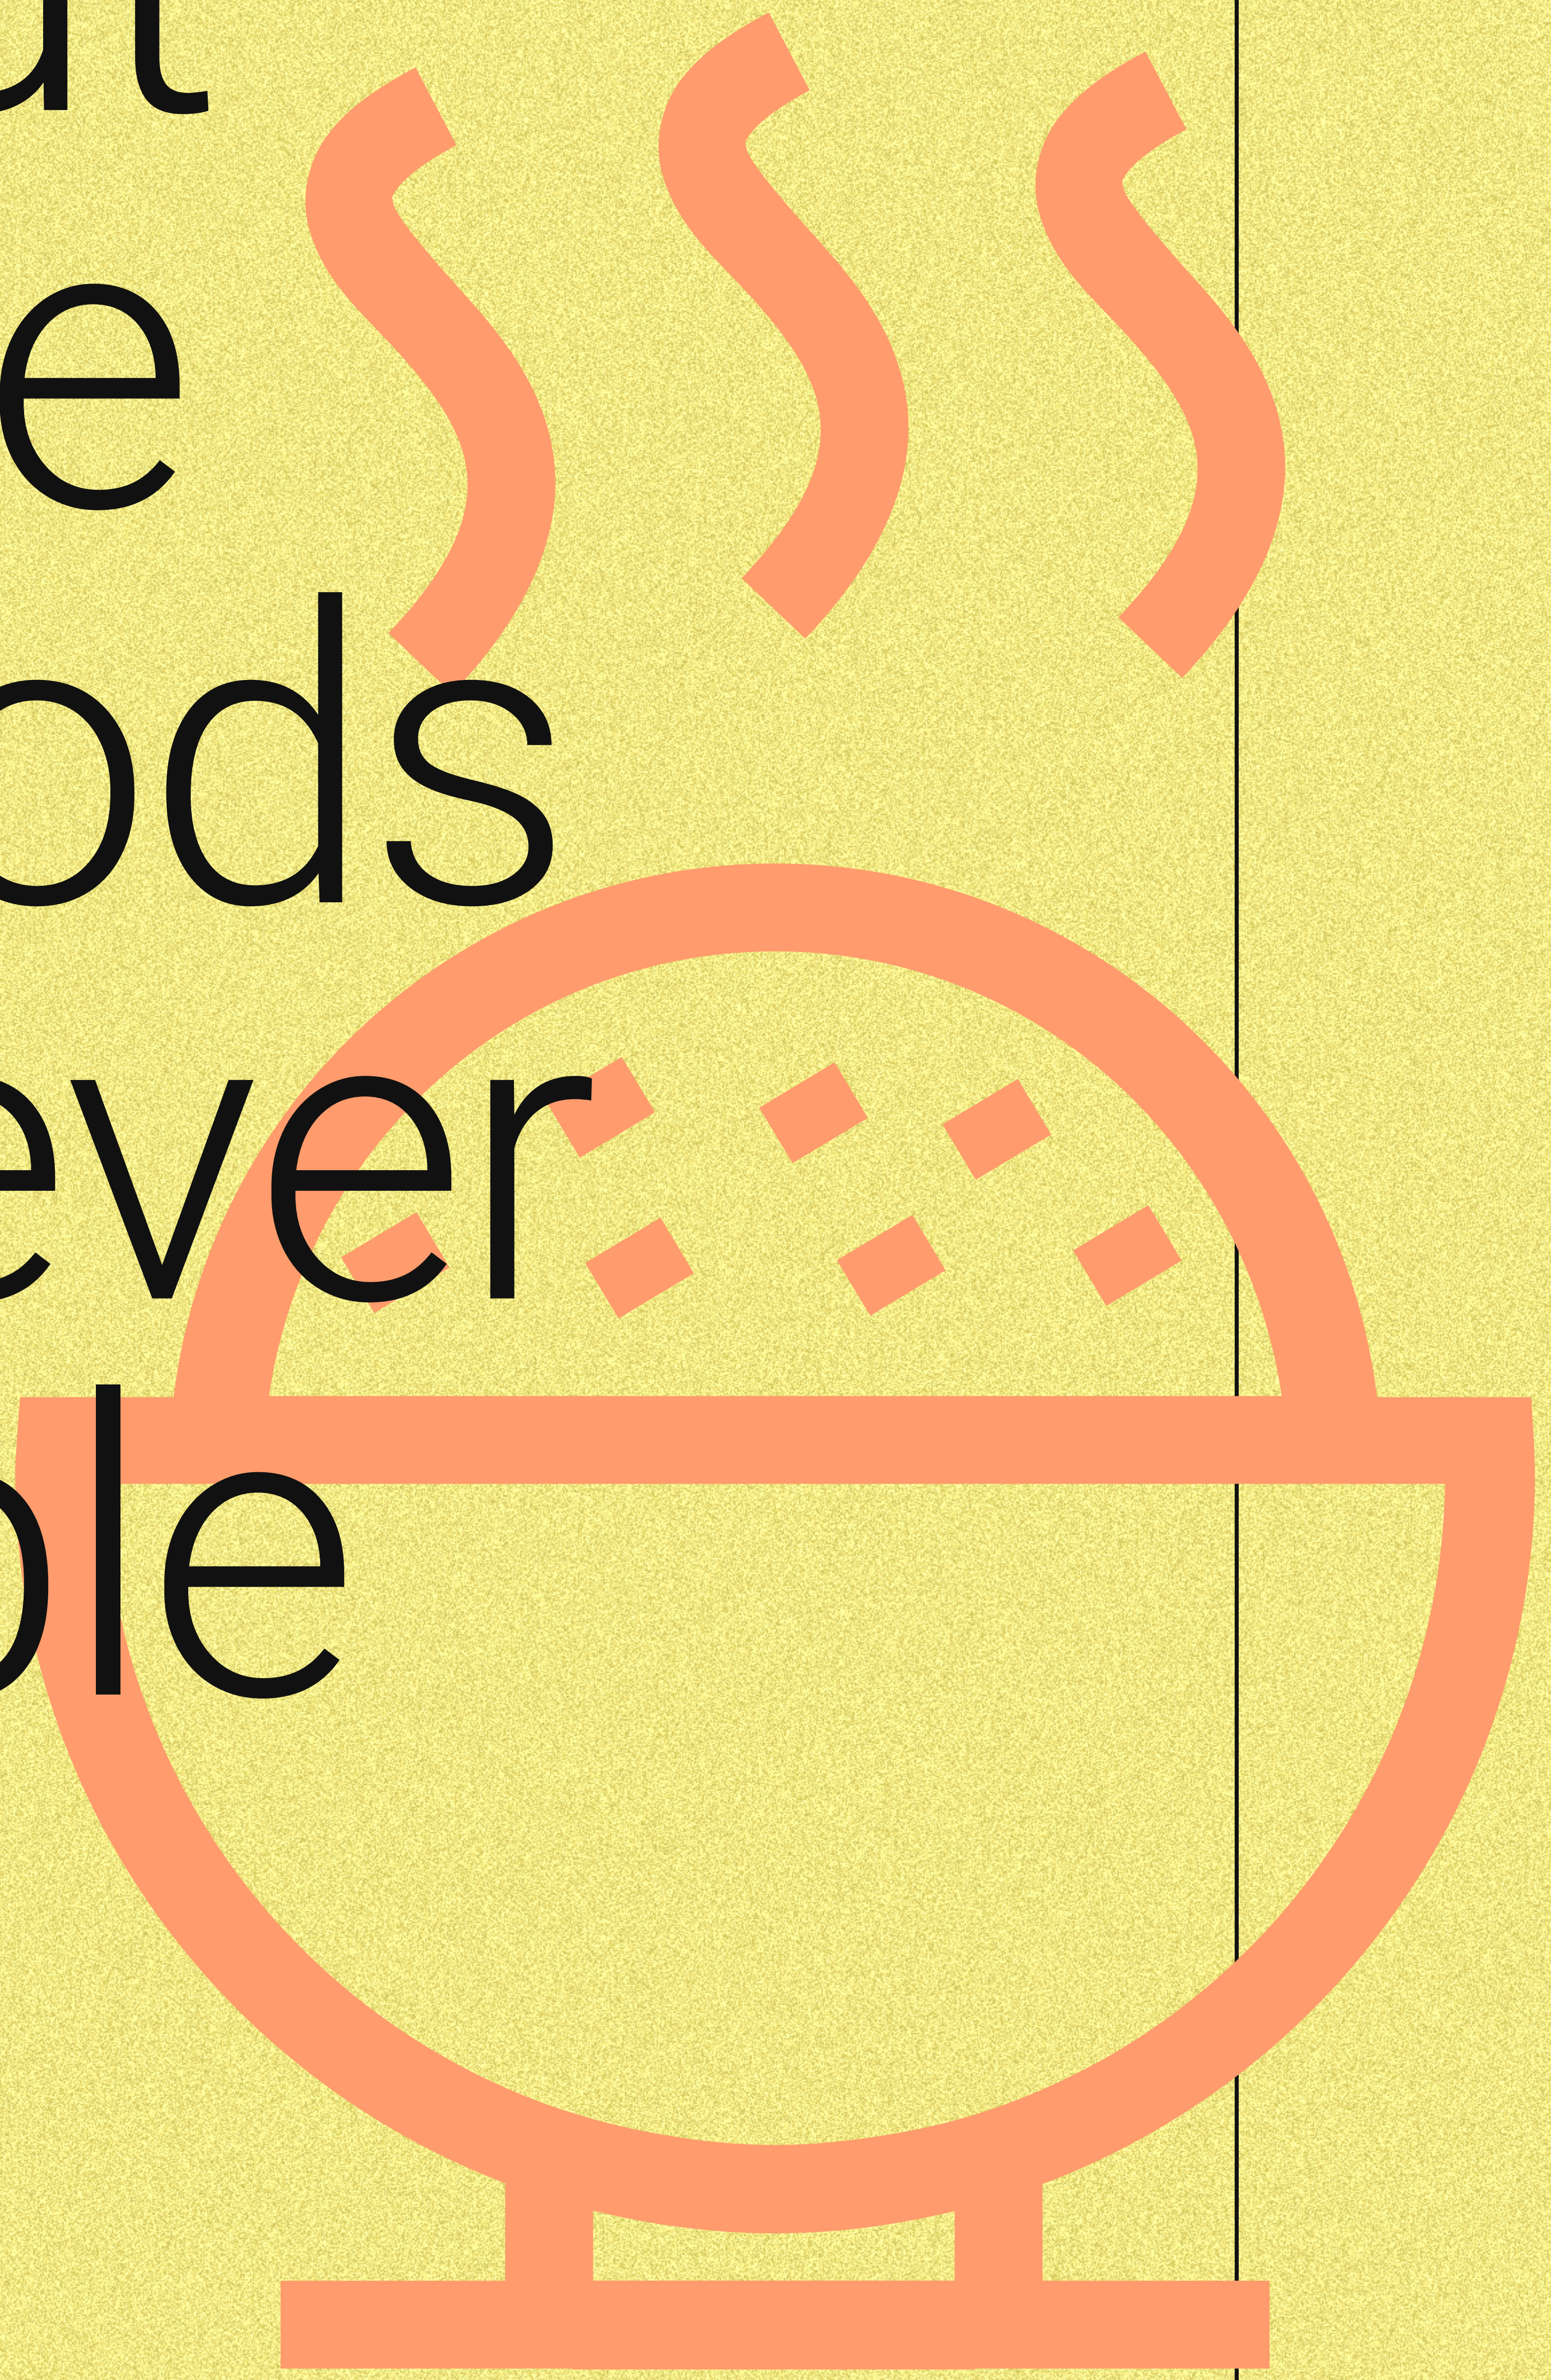

Takeout Meals

- Microwave
or heat
food
whenever
possible

5-6

- When ordering takeout choose hot foods whenever possible
