

Stay safe
while
grocery
shopping

#stayhome

- Secure
your
facemask
on before
you enter
the shop

1-9

Stay safe while grocery shopping

- Wipe
down the
handle of
your cart
or basket
with
a sanitizer
soaked cloth

2-9

Stay safe while grocery shopping

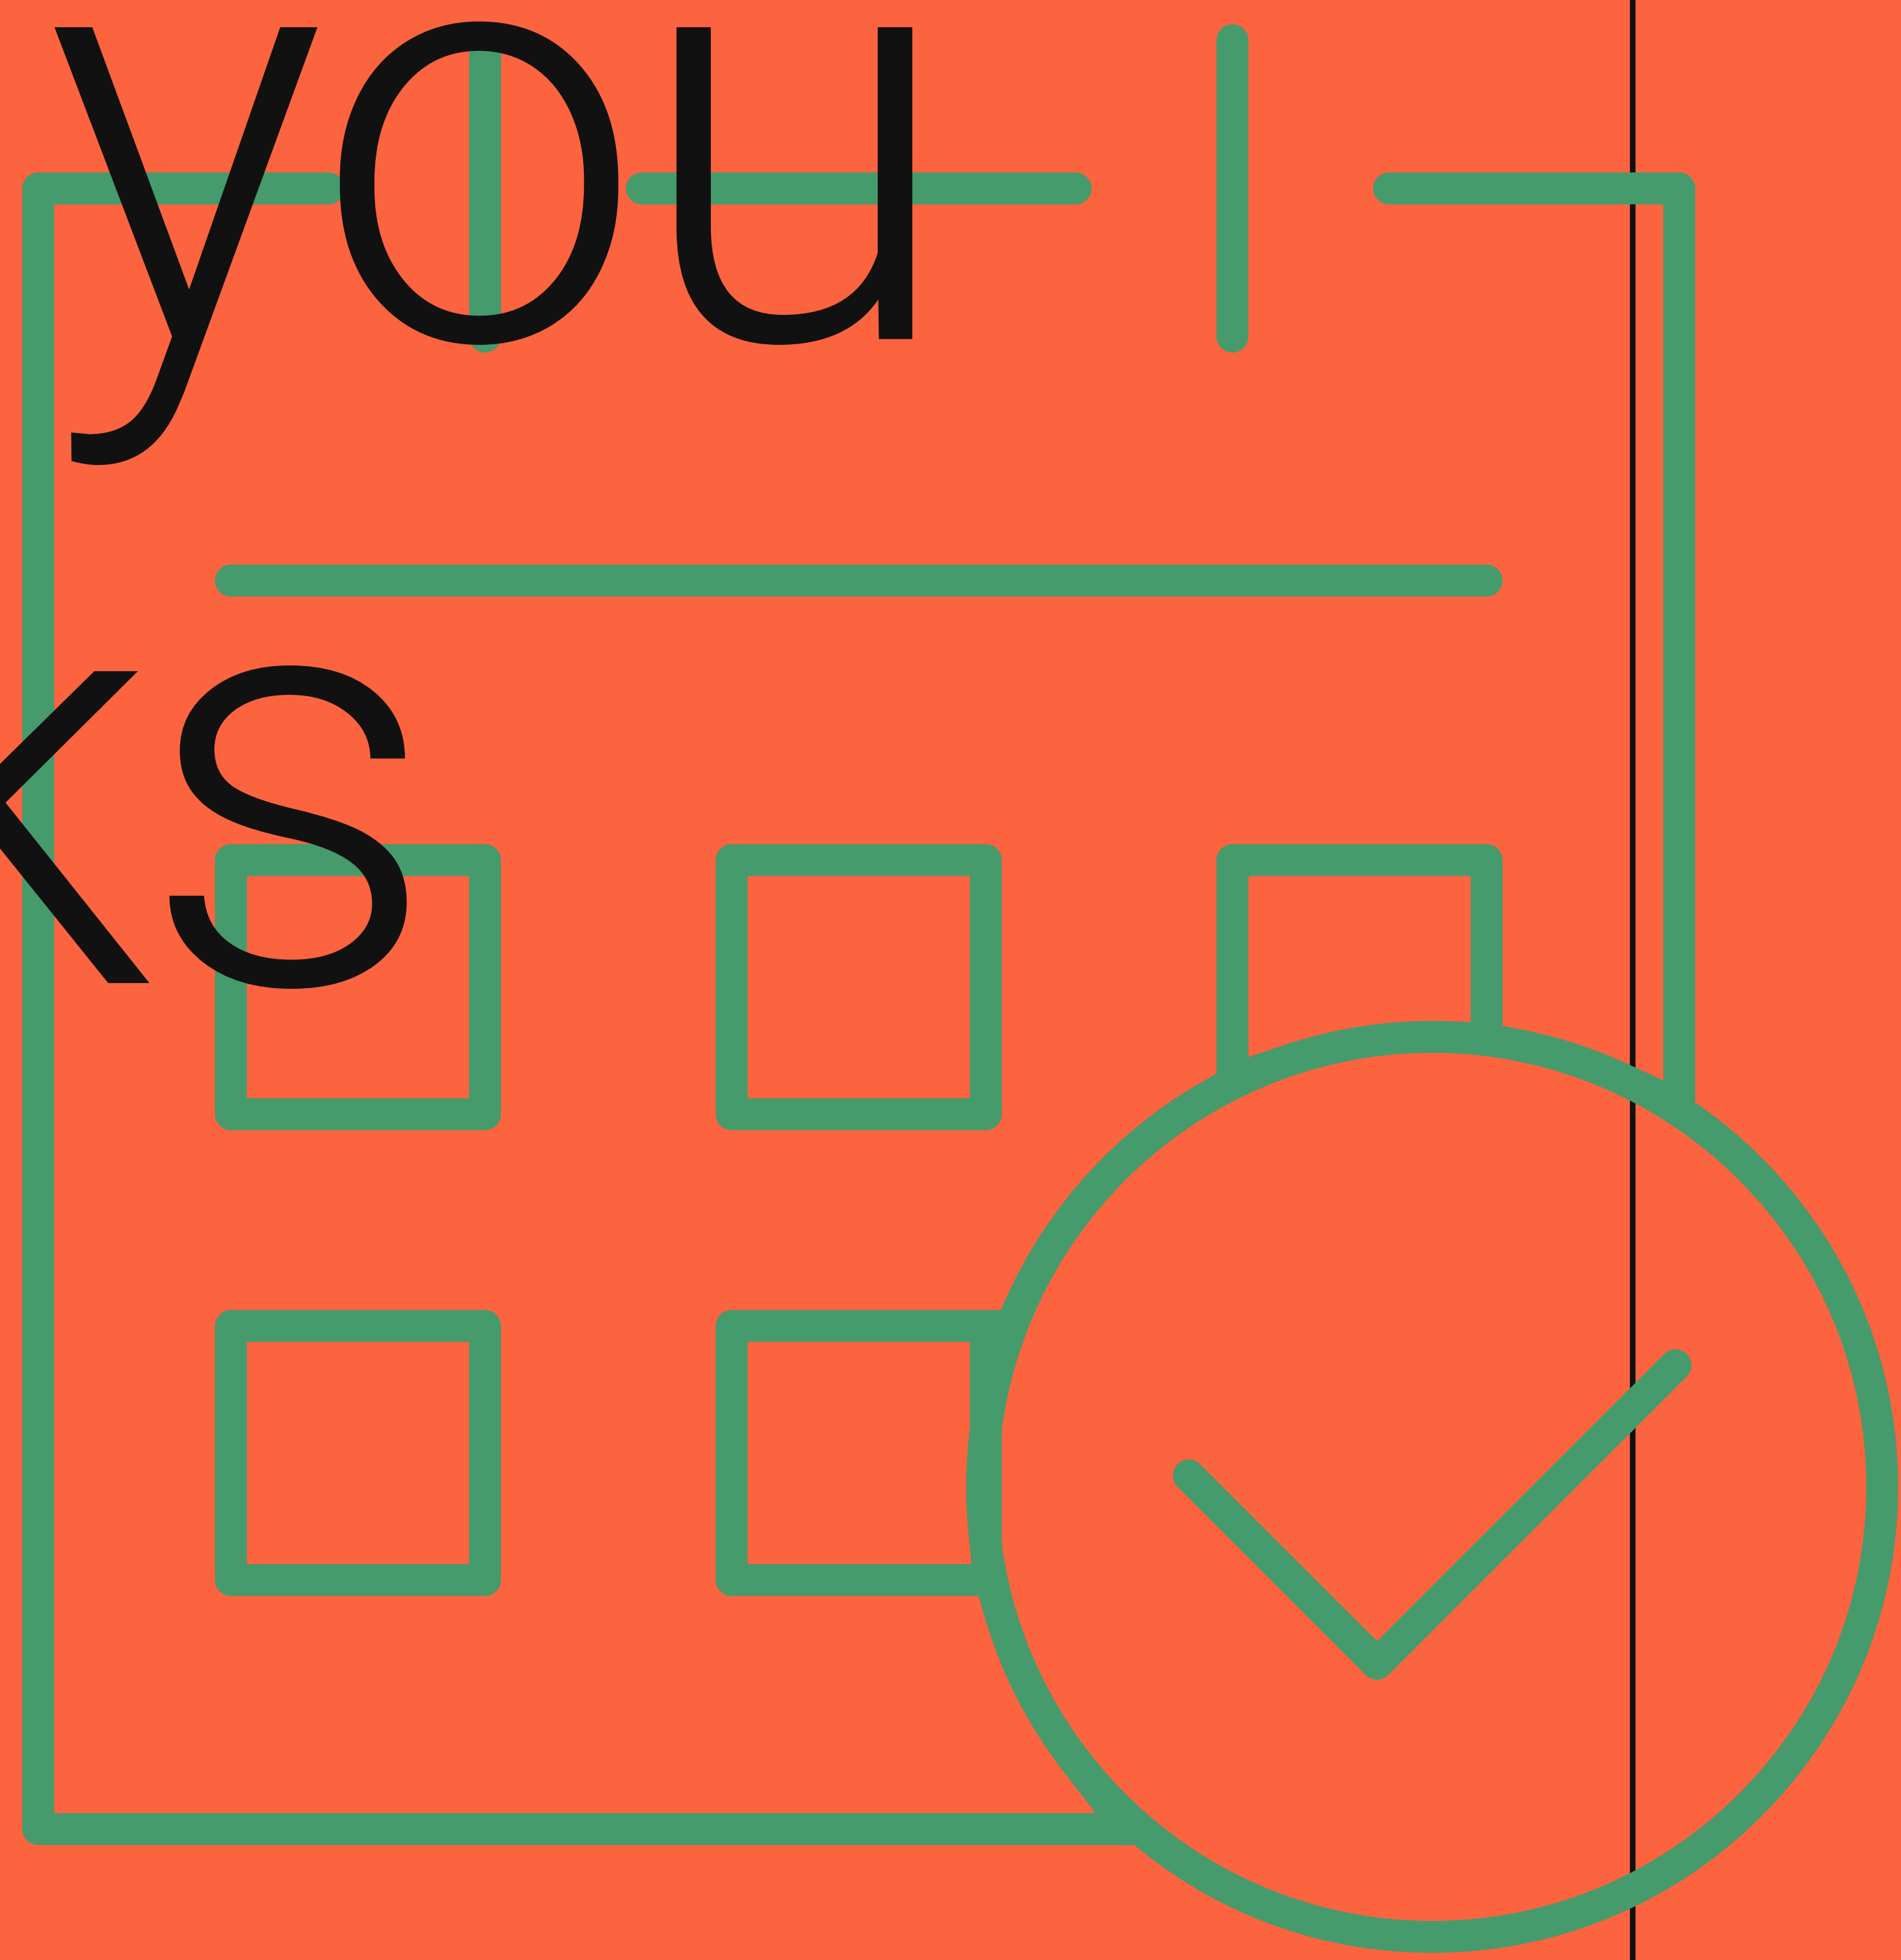

- Commit
to what you
want to buy
before
touching
the products

3-9

Stay safe while grocery shopping

- Minimize shopping trips; plan to buy food to last you 2 weeks

4-9

Stay safe while grocery shopping

- Dispose of unnecessary/ external packaging before you bring the shopping into your home

5-9

- Use two different surfaces:

1. One for the bags full of shopping items

2. The second for the items after washing them

6-9

Stay safe while grocery shopping

- Sanitize
your tabletop
at home with
standard
disinfectant
before setting
down your
shopping

7-9

Stay safe while grocery shopping

- Empty
packaged
items like
bread to
alternative
storage
containers

8-9

Stay safe while grocery shopping

- Use
disinfectant
to wipe down
all products
that cannot be
washed with
foamy soap
and water

9-9
